The Career Link Mentoring Program is an exclusive, no-cost opportunity for a maximum of 75 college students and recent graduates with disabilities ready to jump-start their professional career. Once selected, each mentee is paired with an industry leading professional who shares common career interests for six months of one-on-one mentoring experiences. Interested? We thought you might be!

This is a competitive program with a limited number of mentee openings. Apply by January 29, 2016 at https://www.surveymonkey.com/r/2016CLMP_MenteeApp.

If you are selected to be a mentee, you must agree to the following responsibilities for 2016:

• Commit to participating in the six month program starting April 1, 2016 through September 30, 2016
• Devote an average of 4-6 hours per month on mentoring activities
• Define the goals and objectives of the mentoring relationship; initiate and drive the relationship
• Maintain regular communications and meetings with your mentor as mutually agreed upon
• Participate in required group activities
• Discuss the topic of disability disclosure and disability in the workplace with your mentor
• Provide program feedback through midpoint and end of program evaluations

Mentees who meet program commitments are eligible to attend the 2016 USBLN Leadership Academy & Annual Conference in Orlando, FL from Sept. 17-Sept. 22, 2016 - Visit: http://www.usblnannualconference.org.
